## CHANGE OF LIFE LAMB WILL NOT

Some Sensible Advice to Women by Mrs. E. Sailer,

President German Relief Association, Los Angeles, Cal.

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

annoying and sometimes painful symptoms.

Those dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop for good, are only a few of the symptoms of a dangerous nervous trouble. The nerves are crying out for assistance. The cry should be heeded in timb. Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life, and all women who use it pass through this trying period with comfort and safety.

MRS. E. SAILER.

"Dear Mrs. Pinkham: - When I passed through what is known as 'change of life,' I had two years' suffering, — sudden heat, and as quick chills would pass over me; my appetite was variable and I never could tell for a day at a time how I would feel the next day. Five bottles of Lydia E. Pinkham's Vegetable Compound changed all that, my days became days of health, and I have enjoyed every day since,-now six years.

"We have used considerable of your Vegetable Compound in our charitable work, as we find that to restore a poor mother to health so she can support herself and those dependent upon her, if such there be, is truer charity than to give other aid. You have my hearty endorse ment, for you have proven yourself a true friend to suffering women."

—Mrs. E. Sailer, 7362 Hill St., Los Angeles, Cal.

When one stops to think about the good Mrs. Sailer derived from Mrs. Pinkham's advice and medicine, it seems almost beyond belief yet it is all true as stated in her letter published above at her own request.

No other medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

As a matter of positive fact Mrs. Pinkham has on file thousands of letters from women who have been safely carried through that danger period "Change of Life." Mrs. Sailer's cure is not an unusual one for Mrs. Pinkham's medicine to accomplish.

No other person can give such helping advice to women who are sick as can Mrs. Pinkham, for none have had such a great experience—her address is Lynn, Mass., and her advice free—if you are sick write her—you are foolish if you don't.

REWARD. — We have deposited with the National City Bank of Lynn, \$2000, which will be paid to any person who can find that the above testimonial letter is not genuine, or was published before obtaining the writer's special per Lydla E. Pinkham Medicine Co., Lynn, Mass.

He Prefers to Remain in Richmond and Preside Over His Court.

Hon, James C. Lamb will not succeed Hon. Harry St. George Tucker as professor of constitutional law in Washington and Lee University. He will remain in Richmond and continue to preside over the Chancery Court.

Juoge Lamb very naturally declined yes-terday to discuss the rumor that he would probably be elected by the board at their meeting next month to succeed Mr. Tucker, whose resignation at the end of the present session takes effect. A close friend of the Judge's, however, assured a Times writer that Judge Lamb was not an aspirant for the professorship and would not leave Lichmond. This statement is borne out by the fol-

lowing special to The Times from Lexing-

'It is said here that Judge J. C. Lamb, of Richmone, was favorably considered for the law professorship at Washington and Lee, to succeed Prof. H. St. George Tucker, who recently tendered his resignation. In reply to a communication to that effect, Judge Lamb, it is alleged, declined to allow his name to be presented to the Board of Trustees for the position." If it be true, as there seems no doubt,

that Judge Lamb is the choice of a ma jority of the board, this is an exception-ally high compliment to the able Richally high compliment to the able kich-mond jurist.
